ABOUT US

At Jonach Globe Freight Limited, we are dedicated to bringing the globe closer to you through seamless, reliable, and efficient logistics solutions. We understand that in today's connected world, businesses depend on fast and flexible movement of goods across borders—and that's exactly what we deliver.

Built on a foundation of excellence, integrity, and customer focus, we provide end-to-end freight services covering air, sea, road transport, and customs clearance. Whether you're moving cargo across continents or across the region, our team ensures every shipment is handled with precision, transparency, and care.

We take pride in simplifying global trade for our clients. Through strong worldwide networks, smart logistics processes, and personalized customer support, we make it easier for businesses to access markets, suppliers, and opportunities around the world.

With us, your cargo is more than just goods—it's growth, trust, and success. And our mission is to bring the world within your reach. We bridge distances and break barriers so you can trade, grow, and connect with confidence.

Our Promise

We don't just move cargo—we **connect you to the globe.**

Every shipment is handled with care, accuracy, and a personal touch to ensure your business keeps moving forward.

Jonach Globe Freight is more than a logistics company. We are your **strategic partner**, your **gateway to global trade**, and your trusted **link to the world.**

OTHER SERVICES

- Project Cargo Handling
- Marine Cargo Insurance
- Cargo Consolidation Services
- Logistics Consultation & Advisory

At Jonach Globe Freight Limited, we go beyond standard freight services. Our additional solutions are designed to support special project needs and streamline your global logistics journey from end to end.

Project Cargo Handling:

We manage oversized, heavy, or uniquely shaped cargo that requires specialized planning, equipment, and coordination. Our team ensures safe loading, routing, transport, and delivery for complex industrial projects.

Marine Cargo Insurance:

Protect your cargo against loss, damage, theft, or unforeseen risks during transit. We provide comprehensive insurance coverage options for sea, air, and road shipments—giving you peace of mind from departure to arrival.

Cargo Consolidation Services

For smaller shipments, we offer cost-effective consolidation options—combining multiple consignments into a single shipment to reduce costs and maximize efficiency.

Consultation & Logistics Advisory

Expert guidance on optimizing your supply chain, reducing freight costs, improving routing, and enhancing logistics efficiency for all types of businesses.
